- PostgreSQL
- GIT

## LANGUAGES

- English (B2)
- Polish (Native)

## HOBBIES

- Fitness
- Educational podcasts
- Reading non-fiction books

## ABOUT ME

Passionate web developer dedicated to expanding skills and delivering robust and reliable coding solutions that drive user experiences and enhance digital functionality. Keen on computer networks and with strong willingness to improve in the area of full-stack development and Angular framework usage.

## PROJECTS

### CREDO-MAZE          OCTOBER 2024 - PRESENT
Web app that helps in conducting Professor's scientific research

- A team project carried out as part of a scientific study led by Prof. Tadeusz Wibig, Phd, Dsc.
- I am responsible for building a web app for automated processing of research files, with the robust Express.js API and designing the effective MySQL database.
- Project is still in progress.

### Meuka          OCTOBER 2024 - NOVEMBER 2024
MERN stack-based eCommerce website

- The project is a simulation of real-life clothing shop.
- Developed a fully functional web app using TypeScript for type safety, implemented JWT liblary for secure user sessions, and designed a responsive UI with Sass.
- Solo project.

### JustBucks          JULY 2024 - SEPTEMBER 2024
Expense manager built with React

- With a simple design and intuitive design, this app allows users to track their expenses and incomes easily.
- Solo project.

## STUDENT ACTIVITY

- Deputy chairman of the Scholarship and Social Committee at the WFIiS UŁ
- Co-organiser of the "Hackathon Programistyczny" event in March 2025
- Co-organiser of the "GameJam Uniwersytetu Łódzkiego" event in November 2024
- Volunteer at the ŁDI 2024 event
- Member of the Student Scientific Association "Artefakty"
- Year prefect

## ADDITIONAL INFO

- Driving license: category B
- Desire for skills development and education
- Ability to work under time pressure
